

Regional Association of Neighbourhood and Community Houses

"Collaborating to develop our communities"

RAN·C·H Forum

Thursday 19 April 10.00am – 2.00pm

Strathfieldsaye Uniting Church, 920 Wellington Street Strathfieldsaye

AGENDA

1. Welcome to members and Acknowledgement of Country by President

2. Apologies

3. Meet Nicole Baffle, CEO Neighbourhood Houses Victoria

Nicole has recently been appointed as the new CEO of NHVic. She is currently visiting NH Networks across the state to hear about the work undertaken locally by NHs and Networks and to engage directly with the NH membership to gain a deeper understanding of current and emerging issues.

4. Community Development in Action – (Professional Development Workshops)

→ Using the Neighbourhood House Principles to plan and evaluate (Fiona Mummery)

Fiona will share with us some of the ways that the NH principles can be used as a tool to increase our understanding of community development.

→ Designing a RAN·C·H Mentoring program (David Perry & Sue Birch)

As part of the consultation process integrated into the development of a new RAN·C·H strategic plan, the RAN·C·H membership:

- Identified the need for a Coordinator Mentoring Program as the top priority issue that RAN·C·H should address in 2018-2019
- Identified "opportunities for working collaboratively on issues, projects, campaigns etc. relevant to RAN·C·H NHs" as the primary purpose of RAN·C·H meetings /forums

This workshop will begin the process of working collaboratively towards the establishment of an effective and sustainable mentoring program across the RAN·C·H network.

5. Open Forum
